COMMITTEE REPORTS:

- A. Concessions – Nate reported we profited \$1700 from concessions for the North Davidson game. We received \$200 from Kona Ice.
- B. Props – Trying to get to the point to put it all together. Will work on Saturday starting at 8 am during mini band camp right outside the band room. Chris has the trailer that will be the stage. It will need painting and then fabric will need to be sewn to go on the PVC pipes for the screens. Kristie Barger works for an upholstery company and will take the fabric home to sew. Stencils are being made to assist in painting fabric to look like bricks.
- C. Fundraising – Order forms for pasta fundraiser will go home with students in 7<sup>th</sup> – 12<sup>th</sup> grades tomorrow. Turn in will be October 8<sup>th</sup>. Sales over \$3999 will give us a 50% profit. 20% of the profit will go into students' band account. Fruit sale will start on October 25<sup>th</sup>. Currently looking at two possible locations for Dewey's store.

STAFF REPORT:

- A. Mr. Howell – Students had a good first run Friday night & know what they need to work on. Received a kind invitation from Lexington band director so they will go to that game on Friday. He's going to try and get the trailer in a better location at the school so it will be more visible. At the point of needing three buses but trying to make it work with two to have less expense. He is offering to let color guard and percussion to dabble in spring events to keep their interest sparked. Wants us to have a fundraising event in the spring here at the school to get people to come out. Fall concert will be October 17<sup>th</sup>.

OLD BUSINESS:

- A. Trailer Graphics – Design completed. Nate took measurements to figure out sponsorship locations.
- B. Band Apparel - Working on getting apparel store set up. This won't be a fundraiser but instead just a way for parents to get band gear.
- C. Bylaws – Updates have been put on hold pending review of possible changes. Will hopefully be able to present changes in October.

NEW BUSINESS:

- A. Sponsorships – Nate is working with Teresa to get sponsorship form created. Teresa has a basic form that just needs sizes and cost. Hoping to get names of all interested together by first of October to present to Mr. Dalton for approval. This will be a yearly sponsorship. Locations will start with the two nose areas of trailer. Also a good section next to side door. September 1<sup>st</sup> will be the time to get new sponsorship on for next year. Sponsors will have a sponsorship contract.

Motion to adjourn the meeting at 7:52 pm with second.
