Marching Band Parents, Students, and Staff,

We are currently working on updates to the season schedule and will be sending out more info soon. Music and further instructions will be emailed to the students this week as well.

In the meantime, I wanted to let you know that we are working on updated fee information. Obviously, due to events related to the COVID situation, our season will differ to say the least and I am sure that will be reflected in the fees that will be due. As soon as the booster board members and band directors come up with a plan, we will let you know. This will also include an updated fee balance sheet.

Thanks for your patience as we all navigate this together.

As always, if you have any questions or concerns, please do not hesitate to email or call me.

Mike Howell
