September 11, 2020

Students and Parents:

I hope everyone is well and I am looking so forward to having musicians back in our band room this coming week! As you know, we will begin our A/B rotation on Monday and I wanted to share some upcoming information in order to make our transition to in-person learning as easy and safe as possible.

- Please remember to BRING YOUR INSTRUMENT and MUSIC.
- Upon returning to campus, you will be screened and temperature will be taken. Immediately following this, bring your instrument directly to the band room. Remember to observe all distancing instructions along the way!
- You will be shown how and where to store your instrument. Students that have band during third period will also be allowed to leave their lunch if necessary. Afterwards, go directly to your first period class.
- DO NOT come to the band room if you do not have anything to store.

In addition, I would like to remind everyone that we will have our September Band Booster meeting on this Tuesday evening, the 15th, at 6:00pm. We will be in the “band section” of our stadium bleachers in order to help with distancing requirements. If it is raining, we will move into the band room as long as we can observe the gathering requirement of 25 or less people.

I hope everyone has a great weekend and I am looking forward to making music again at Oak Grove!
